Subject: **State Operating Permit No. SOP-06006**
Arnold Engineering Development - Arnold Village Wastewater System
Arnold AFB, Franklin County, Tennessee

Dear Mr. Laviolette:

The Division of Water Resources (the division) has received your application for the above referenced project on 20-OCT-16. We have reviewed the application for completeness in accordance with TDEC rule 1200-4-5-.05 (2) and find the application to be incomplete. The processing of this application has been suspended until the following information has been submitted:

- Please submit the SOP application fee of \$ 750 dollars. The fee became effective on July 1, 2014. See the attached application fee information.

You should be aware that in accordance with TDEC Rule 1200-4-5-.05 (2), your receipt of this notice does not preclude the division from later requesting additional material that subsequent to the notice of completeness is determined to be necessary for permit processing.

If you have questions, please contact the Columbia Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Hari Akunuri at (615) 532-0650 or by E-mail at *Hari.Akunuri@tn.gov*.

Sincerely,

Brad C. Harris, P.E.
Manager, Land-Based Systems
